

As chairperson of Bridges' Board of Directors, it is my pleasure to announce **The Barry Kasdan Scholarship for the Pursuit of a Graduate or Undergraduate Degree in Human Services** and **The Stella Cretella Scholarship for those in pursuit of higher education through graduate or undergraduate degrees focusing on advocacy and policy reform in mental health services.** These scholarships were established by Bridges' Board of Directors, the Board Endowment Fund Committee, and the Board Scholarship Committee in honor of Barry Kasdan's 30+ years of leadership and service to Bridges Healthcare, Inc. and in memory of Stella Cretella's 40+ years in advocating for mental illness health reform in Connecticut and her 10+ years serving on the Board of Directors at Bridges Healthcare, Inc.

Mr. Kasdan was appointed President and CEO of Bridges, then known as Milford Mental Health, in 1984. Under his leadership, the organization grew from a small mental health agency with 22 employees to an integrated healthcare system with 160 employees. Bridges Healthcare, Inc. continues to grow in size and scope serving over 5,000 area residents in Ansonia, Bethany, Derby, Milford, Orange, Seymour, Shelton, Stratford, West Haven, and Woodbridge.

Ms. Cretella was a firm believer in higher education, especially for women. She was a pioneer in mental health advocacy, awareness and treatment through her volunteerism on the board of directors for both Region II in Connecticut of the National Alliance of Mental Illness (NAMI) and Bridges Healthcare, Inc.
